To the Editor of The Tribune. SIR: I have read the article of Mr. Lace in I've TRIBUNE, and do not propose to controvert als statemonts, for the reason that I live more than a hundred miles west of his place of settlement, and in a region miles west of his place of settlement, and in a region where I have never heard of any such thing as Ku-Klux. I am not advised as to the facts in his case, and should not refer to him but for the fact that he uses the term western North Carolina." I have resided here for the last 13 years. The last two of this period I have mainly devoted to assuring, by letter and otherwise, thousands your people that they would be well received by ours, if certhally inviting them to come and settle among. HELMBOLD'S FLUID EXTRACT GRAPE-JUICE PILLS,

One bottle of "BELMBOLD'S FLUID EXTRACT SARSAPARILLA" equals in strength one gallon of the syrup or decoction as made druggists; and a wine-class added to a pint of water equals the celebrated Liabou Diet Drink-a delightful and healthful beverage. The "GRAPE-JUICE PILL" is composed of Fluid Extract of Catawha Grape-Juice and Fluid Extract Rhubarb. Useful in all diseases require ing a cathartic remedy, and far superior to all other purgatives, such as salts, magnesia, &c. "HELMBOLD'S GRAPE-JUICE PILL" is not a patented pill, put up as those ordinarily wended, but the result of ten years' experimenting and great care in preparation. Safe for and taken by children. No names; no griping pains; but mild, plemant, and safe in operation. Two bottles of the "FLUID EXTRACT OF SARSAPARILLA," and one bottle of the "GRAPE-JUICE PILLS," are worth their weight in gold to those suffering from bad blood, poor complexion, headache, nervoteness, wakefulness at night, contiveness, and irregularities; and to those antiering from broken and delicate constitutions it will give new blood new rigor, and new life. The "CATAWBA GRAPE PILLS" are done up with great care and in handsome bottles, and will surpass all those rended in wooden horse, and careless's prepared by inexperienced men, comparing with the English and French style of manufacturing. Prescription accountely compounded. French, German and Spanish spoken. Store open all night. All of H. T.
